Walk where Jesus walked. Study where the disciples were taught. Join Precept Ministries United Kingdom, Singapore and South Africa for our Israel Study Tour and be prepared for an inside-out transformation. Experience the Garden of Gethsemane. Cross the Sea of Galilee. Look across the valley at Megiddo. These places are already so much more than places on a map. For the Christian on an inductive study tour with Precept Ministries, these locations open windows into our understanding of Biblical context. They connect us in a tangible way to our God and His pursuit of His people. Join us - but get ready. **When you study the Word of God, in the land of God, your life will never be the same again.**
