Jeremiah

'For My people have committed two evils: they have forsaken Me, the fountain of living waters, to hew for themselves cisterns, broken cisterns that can hold no water.' (Jer 2:13)

'Harvest is past, summer is ended, and we are not saved.' (Jer 8:20)

Join us as we listen to the voice of our Father calling to His children who have wandered far from Him. Discover truth for yourself as we seek to know our God who is 'the Lord who exercises lovingkindness, justice and righteousness on earth'.
(Jer 9:24)

Discover Truth For Yourself

Don't miss this unique opportunity to discover the joy of meeting God through studying His Word inductively whilst enjoying **rich fellowship** in comfortable surroundings. There will be time for **personal study and reflection** using our 'Precept-Upon-Precept' material on Jeremiah, followed by **group discussion**.

Time spent in these studies is greatly **rewarded** and if you are new to them, help will be on hand to ensure you gain the most from your time. Those who would like to **know more about inductive Bible study** can join in a seminar during the week.

King's Park Conference Centre

There will be opportunity for informal worship as well as a formal time of **praise and sharing**.

The week will be led by Ann Absolom, who became a Christian in 1993 whilst living in Japan. Soon after becoming a believer, she was introduced to Precept Ministries and the inductive method of studying the Bible, which opened up God's Word to her in an amazing way. The Lord has continued to draw her to Himself as she has dedicated herself to studying His Word. He has gifted her as a teacher with the ability to encourage people into a deeper relationship with Him by showing them how to discover truth for themselves. Ann is married to Alan and they have 2 adult children and a granddaughter.
