Directions

'Braemar' is situated on the main A338 Downton Road, a semi-detached house with no parking outside (just off the corner with traffic lights). Please therefore park at the Britford Park and Ride (south east of Salisbury A338/A354) and either walk the short distance to 'Braemar' or catch a Salisbury bound bus and get off immediately before the traffic lights where the A338 crosses the A354. Alternatively you can try parking in the side roads behind Downton Road.
