Establishing People in God's Word since 1998

1 | What Is Precept Ministries?

Precept Ministries serves the church by helping to establish people in God's Word, using Inductive Bible Study. The ministry's goal is to equip and encourage people to live as exemplary followers of Jesus Christ, studying the Bible inductively, viewing the world Biblically, making disciples intentionally, and serving the church faithfully, in the power of the Holy Spirit. Through workshops, conferences, radio and television, the ministry provides training in Inductive Bible Study skills, which includes leading dynamic small group discussions. Inductive Bible Study materials are available in nearly 70 languages. Hundreds of thousands of people of all ages are discovering Truth for themselves using the Inductive Bible Study Method, through the work of Precept Ministries in close to 150 countries around the world.

2 | What Is Inductive Bible Study?

Inductive Bible Study is using the Bible as your primary source. You will discover Truth for yourself by using three key skills:

OBSERVATION

In an age of speed, noise, and endless distractions, we all need to slow down and focus on God's Word. Observation tools like marking, listing, and asking questions help you see and retain what the text says.

INTERPRETATION

Careful observation enables you to discover what the text means in its context. The more accurate your observations are, the greater your understanding of God's Word.

APPLICATION

The Creator and Author of life has chosen to show you how to live a satisfying, eternally significant life. Intentional, disciplined observation and interpretation lead to biblical application that's life-changing!

3 | How to Choose a Bible Study

Determine what you want from your time of study. Everyone is busy but we make time for the things we value the most. Once you've experienced the joy and intimacy that intentional time in God's Word can bring, you'll undoubtedly want more. Precept's Inductive Bible Studies come in many formats to suit the time you can invest.

Decide your area of study. Ask God for direction for your study and for your small group, if you lead one. Interested in a specific topic, a broad survey or an in-depth study of an entire book of the Bible? Precept's Inductive Bible Studies cover it all, at every depth.

Ask God to reveal Himself and His will to you through your study of His Word. Only God can reveal Truth to you accurately through His Word. Seek His guidance and blessing and then you're ready to begin!

We know you have a choice of where to buy Precept Inductive Bible Study materials. But did you know that, by purchasing from Precept, you are partnering with us to help people living in the UK to become established in God's Word? Thank you for Purchasing with Purpose!
